

Due to the extreme heat weather warning, the Farnham Infrastructure Programme has decided to cancel the planned town centre consultation exhibition which was due to take place on Tuesday 19 July at the University for the Creative Arts (UCA).

Instead, there will be an additional morning session from at The Bush Hotel on Wednesday 20 July.

That means the upcoming events are:

- Wednesday 20 July: [9.30am-12.30pm](#) and [1.30-4.30pm](#) at The Bush Hotel, The Borough, GU9 7NN
- Thursday 21 July 3.45-6.45pm at Farnham Leisure Centre, Dogflud Way, GU9 7UD

The programme cancelled the UCA event to protect the welfare of staff, and to make sure people in Farnham who may not wish to travel in the heat are still able to attend and find out about the town centre proposals.
