

STREET NAMING APPLICATION SNN/2024/0154 – LAND AT COXBRIDGE FARM, WEST STREET, FARNHAM, GU9 7AS

We have received a street naming application from CALA HOMES which is the developer of 9 newly built highways and 230 new dwellings situated on LAND AT COXBRIDGE FARM, WEST STREET, FARNHAM, GU9 7AS

The names being proposed for the new roads shown on the attached site plan are:

ROAD 1 - WAXWING WAY

ROAD 2 - KESTREL DRIVE

ROAD 3 - JACKDAW CLOSE

ROAD 4 - WREN GARDENS

ROAD 5 - SISKIN ROAD

ROAD 6 - CHAFFINCH PLACE

ROAD 7 - DUNNOCK GARDENS

ROAD 8 - WAGTAIL DRIVE

ROAD 9 - YELLOWHAMMER CLOSE

These names have been checked by the Address Development team against Waverley's policy. The proposed name has been deemed acceptable and as such we have put them forward for your consideration. We have also consulted the Royal Mail with the proposed name.

Waverley's Street Naming and Numbering policy states that the only basis for objecting to a new street name can be on the grounds of:

- duplication;
- difficulty of pronouncing or spelling; and/or
- if the name could cause offence.

We ask that you assess the street name in this regard as there may be some local considerations that the Address Development team may not be aware of.

We would be grateful if you could email your response to the new street names by **Thursday 8 May at noon**. If Waverley does not receive a response from you by that date, the Address Development team will put the proposed names forward for approval.

Please note that section of this development has been sold to a different developer - three additional roads will need to be named at a later date for this part of the development.

Thank you for your assistance with this matter of street naming.
